PARTNERSHIP OPPORTUNITIES WITH INDUSTRY

The mission of the AMC Partnership Program is to improve capabilities and performance of AMC's industrial sites through cooperation between the public and private sectors.

BENEFITS OF PARTNERING WITH AMC

- Access to advance technology industrial equipment
- Potential use of hard-to-receive hazardous waste permits
- Leverage long-term use agreements
- Decrease capital investment cost
- Leverage ISO-certified facilities and Lean Six Sigma processes
- Access to a trained, competent, competitive and Lean Six Sigma-experienced workforce
- Secure locations
